TAFT GOES INTO CAMPAIGN ISSUES

Promises Revision of Tariff on Scientific Basis Not Hurt by Living Prices
New York, N. Y., Sept. 25.—The Evening World today publishes an interview with president Taft, in which the president goes at length into some of the issues of the campaign.

The president promises a revision of the tariff on a scientific basis so far as may be necessary to keep prices from being exorbitant. This may be done by the continuance of the tariff board's investigation into the facts, the president is quoted as saying.

Mr. Taft then promises an extra tariff revision session in case the Republicans should be in control of the next congress.

Referring to the high cost of living, the president expressed an opinion that American workmen were very much better off than those of Europe. Not only were they able to pay the high cost of living, he said, but they could also put something aside for a rainy day. The Payne tariff law had no more to do with advancing the high cost of living than the latest Atlantic cable tariff, he declared.

Referring to woman's suffrage, the president said that this issue would have to be decided by the various states and that he believed women to be as capable of wise use of the ballot as men.

In the matter of recall of judges, the president said he regarded the maintenance of an independent judiciary as a supreme issue and that the recall applied to judges would tend to deprive the public of judges of ability, character and a high sense of duty.

The Republican national headquarters declared today that this interview was authentic.

BRYAN CONTROLS CALIFORNIA MEET

(Continued From Page One.)

ing a Republican majority in the house of representatives.

"If the country will give the Republican party a complete victory in its congressional as well as its presidential ticket, a proper tariff revision will be speedily effected, with knowledge of the facts ascertained by a tariff commission, which will harm no one and remove its present defects."

BRYAN FORCES CONTROL CALIFORNIA CONVENTION

Nebraska Declares Roosevelt's Attitude Toward the Trusts Is Less Logical Than of Socialists.

Sacramento, Cal., Sept. 25.—Lashed into the Democratic state convention hall to the tune of Dixie, William Jennings Bryan addressed a gathering that had just chosen as its temporary chairman former congressman A. Cannitt, a man pledged to the policies of Bryan.

Col. Bryan arrived but a moment after the rout of the forces of Theodore A. Bell, who had opposed him at Baltimore. Cannitt won by a large majority over mayor Owens, of Richmond, supported by Bell for the temporary chairmanship.

In his address Mr. Bryan declared that governor Johnson's speech at the Republican national convention in Chicago should be the gem of the convention and that his opinion of the claim of the contested delegates from San Francisco (disallowed by the national committee) was just.

"I thought the Progressive delegates had a clear case," he said. "The present right was on their side, and yet I thought there was some right in the position of their opponents, in that California was entering the national system of representation and as it seemed to me, changed it to disadvantage. He arraigned Mr. Roosevelt's attitude toward the trusts which, he said, was less logical than that of the Socialists."

To the amusement of the Democrats, Bryan was captured by Progressive Republicans and addressed their state convention before entering the Democratic convention hall. He confined his remarks to an expression of appreciation at being asked to speak before a Republican convention.

JOHNSON ADVOCATES MINIMUM WAGE IN NEW ENGLAND SPEECH

Boston, Mass., Sept. 25.—Governor Johnson, of California, Progressive candidate for vice president, addressed a large crowd in the Arena building here and brought to a close his first day of campaigning in New England. He was given an enthusiastic reception.

The governor received some statistics on the wages paid women in this and other states, and he referred to the question of minimum wage legislation on this question.

"The question of the minimum wage one that affects directly the people of your state," he declared. "More than 66 percent of your working women now receive less than \$6 a week. If I had the time I would like to show you how, in great cities, many girls are required to keep up a respectable appearance on less than \$5.50 a week. Then the question would be brought home to you and you would see that as a nation we are sowing the seeds of dissolution when we permit such practices."

SIBLEY IS ILL; MAY NOT APPEAR BEFORE PROBERS.

Washington, D. C., Sept. 25.—Former representative Joseph C. Sibley, of Pennsylvania, probably will not be called before the senate committee investigating campaign expenditures, to explain a letter he is alleged to have written to John D. Archbold. The committee learned today that Mr. Sibley is in the hospital.

Mr. Archbold will probably reappear before the committee next week.

Chairman Clapp has written representative A. Mitchell Palmer, of Pennsylvania, asking him to furnish any information he has concerning his alleged influence in the campaign contributions had influenced the removal of Dr. David Jayne Hill as ambassador to Germany.

MASSACHUSETTS DEMOCRATS RENOMINATE GOVERNOR FOSS

Boston, Mass., Sept. 25.—Governor Eugene N. Foss was renominated by the Democrats in the primary election. Returns from half of the state, including the city of Boston, gave him a lead of nearly 11,000 votes over his opponent, Joseph C. Pelletier.

In the same cities and towns, Joseph Walker had a lead of about 3000 over Everett C. Benton for the Republican nomination.

COLONEL ROOSEVELT DISCUSSES WILSON'S RECORD AS DEMOCRAT

McAlester, Okla., Sept. 25.—Governor Woodrow Wilson's record as a Democrat, taken up by Col. Roosevelt while here. He quoted governor Wilson as saying in a recent speech that the program of the Democratic party had been substantially the same for the last 16 years, and then said that 16 years ago Mr. Wilson had bolted the Democratic party because it stood for free silver.

"I ask him," he said, "whether he means that if the program today was free silver he would vote for it or if not, why he bolted."

The governor Wilson had "got to sit on one of the two horns" of the dilemma.

WILSON MAKES SPEECHES FOR PHOTOGRAPH RECORDS

New York, N. Y., Sept. 25.—After voting at the primaries in Princeton, governor Wilson came to New York on his way to New England, where he will begin a three days' speaking trip.

The governor made a motor trip to Larchmont to visit chairman McComb of the Democratic national committee, who is ill.

The governor's engagements here include several speeches for photographic records and conferences with vice chairman McAdoo. Both declined to comment regarding the New York state situation.

WILSON CANDIDATE WINS IN NEW JERSEY

Newark, N. J., Sept. 25.—That governor Wilson won a sweeping victory in the New Jersey primaries was evident on the returns which sifted into Democratic headquarters here during the early hours of today. In his fight to prevent the nomination for United States senator of former senator James Smith, Jr., governor Wilson carried the state by a plurality of nearly, if not quite, 20,000, winning in every county.

Returns from 511 of the 1793 districts in the state gave representative W. M. Hughes, the Wilson candidate, 17,920 votes to 11,751 for Smith.

MARSHALL WILL ADDRESS DEMOCRATS OF MICHIGAN

South Bend, Ind., Sept. 25.—Governor Thomas H. Marshall addressed a large crowd here, dealing with Indiana state issues, in the interest of Samuel Ralston, Democratic candidate for governor. He departed for Kalamazoo, Mich., where he will speak. He will also address the Michigan Democratic state convention at Grand Rapids.

BRYAN FITZED WITH RECEPTION

San Francisco, Cal., Sept. 25.—"Now, along the way have I been more enthusiastically welcomed than in California," said William J. Bryan today when he prepared to resume his campaign through the state "on the trail of Col. Roosevelt." Mr. Bryan held an informal reception at his hotel.

GRIDIRON DINNER FOR COUNTRY CLUB GOLFERS

Gold dinner, country style, will be served at the Country club Sunday at noon when the dinner golf match will be played. The custom in the past has been to serve the dinner for these matches at individual tables but the one Sunday will be made a gridiron affair with the 40 golfers lined up on each side of a long table to receive their share of the grillings.

The two teams will be selected by Tom Newman and George Wines and it is expected that 20 men will compete on each team. The losing team will pay for the dinner.
